**\* New Business:**

- Fr. Nolan would like to buy a new ice machine for the Parish Center. We currently pay a monthly amount on a rental. The Council gave Father approval to ask five groups to cost share \$750. The five groups are PTC, Booster, Men's Club, St. Therese Guild, and School/Church.

- Fr. Nolan asked to increase the wedding fees for the Parish. The proposed fee would be \$250 for parishioner and \$750 for non-parishioner. These fees are in line with area churches. The Council approved.

- Fr. Nolan announced that a buyer has started the financial process for purchasing the rectory. The amount is in agreement with Diocesan requirements.

- Anita asked if anyone had heard any comments about how the Christmas Bonus was given. No one had. The only comment were expression of thanks for the gift.

- Fr. Nolan stated that Greg Fleck informed him that the warranty on the school east side roof is about to expire. We were asked if we wanted to refinance?

**\* Next Meeting:**
