## *with Staley Credit Union Loan Skip-a-Payment Program*

### *Here's How It Works...*

- 1. Complete the form on the back.**
- 2. Return the form prior to the due date of your loan payment.**
- 3. Skip your payment!**

If you make a non-automatic payment, the first payment due after the last day of the month prior to the month that you are going to skip will be skipped. If your loan is paid via payroll deduction or other automatic deductions, the amount normally applied to your loan will be deposited into your primary savings account each pay period in the month that you are skipping. If you have any questions regarding this special offer, contact the Credit Union Loan Department.

This special offer is available on all loans which are in good standing, except for Home Equity Loans, one pay notes, and loans made after August 31, 2017.

All other terms and provisions of the original loan agreement are unchanged and remain in full effect. Interest will continue to accrue during the month you skip your payment. In some cases, based on the size of your balance, the interest which accrues may be greater than the amount of your next regular payment. It may take several months to begin to reduce your principal balance.
